- Motorhome Service Station

PITCH KEY & INFO

- Prime Pitches Pitch your unit in the middle
- Plus Pitches Pitch your unit on the left as you face the pitch
 - Standard Pitches Pitch your unit on the left as you face the pitch

ELECTRICAL HOOK UPS

Please note your electricity supply is 10amps or equivalent to 1Kw of power. This is sufficient to power a refrigerator, light, TV and one other item of about 1 Kw of power. This means to attempt to switch on an electric fire and say a kettle will trip out the power which could also trip the caravans around you.
